2 From the Dy. Comm's letter, it will be seen that the Panyam Swamisalu states that no separate scale of expenditure is being maintained for the Mysore grant of Rs 6621-8-0, and that the Grant is being utilized to meet partly the Nityakatte expenses which are detailed in the accompanying list.

May the list and the Panyam Swamis Comm be called for with a view to know how the grant is now expended by the Udipi Math authorities, and what the Panyam Swamy has stated in the matter?

Mmg. 177-24-1.

Sir,

With reference to your letter No.1331/M.F.109-23-13 dated - 26th March 1924 forwarding for disposal or report, if necessary, - memorial of ananda Thirthachar and others, praying for the revival of the original grant of Rs.60/- per diem said to have been granted to Sri Krishna Devaru temple at Udipi, I have the honor to submit herewith correspondence ending with letter No.70 dated 20th November 1924 from the Inam Superintendent, stating that though a payment of Rs.20421-13-0 was recorded in the 1821 Lavajama Patti of His Highness the Maharaja, yet a cash grant of Rs.6807-0-0 based on later accounts was confirmed and that there is nothing in the records to indicate whether this came up for consideration at the time of settlement.

2. The Deputy Commissioner while reporting that the grant now - paid is being utilized to meet the nityakatle expenses-the cost of which is becoming increasingly difficult on account of the high --- prices-is of opinion that no strong case has been made out for ----- increasing the grant.

3. Having regard to the present financial stress and the innumerable calls within the state upon funds belonging to the Muzrai Institutions I am of opinion that it is neither desirable nor necessary to go behind the Inam Settlement at this distance of time. If approved, a suitable endorsement will be issued to the memorialists.

4. From the Deputy Commissioner's letter dated 10th October 1924 it will be seen that no Tasdik Patti for the amounts contributed by

Title-deed No.3 dated 16-12-72 Rs.14-0-0) by Government has been
Do. No.5 dated 16-12-72 Rs.6807-0-0) no accounts are received as in case of all other charities foun in institutions outside the State. Irrespective of the cost incurred by the presiding Aaryaya Swamigalu for service in the temple, it seems to me to be necessary to fix a regular scale of expenditure for the -- amount contributed by us and to insist upon regular accounts being sent up with a view to see that the stipulated charities are regularly ----- conducted. The General expression made to the effect that the grant is being utilized to meet partly the "Nityakatle expenses" cannot, I submit, be accepted.

If the above proposal meets with the approval of Government I -- shall take further action and submit definite recommendations for furtner orders.

I have the honor to be,

Sir,

Your most obedient servant,

Khandy

Muzrai Commissioner.
